Summit - Burnsville - One openings for a male/female resident

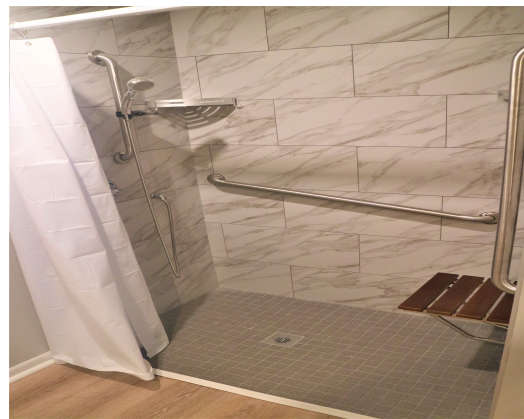

Summit is a five-bedroom, three-bathroom home located in a secluded cul de sac on a residential street facing county 42. Entry is on the main level via a wooden ramp enclosed by a small gated fence that leads to the front door of the home. Three of the service recipient bedrooms are located on the main level of the home, 2 located in the lower level of the home, accessible by a stairway and a metal ramp outside for entrance. The lower level includes a laundry room, wheelchair accessible bathroom, bedroom, and living room and allows walk-out access to the backyard. The upstairs bathroom is tiled and has an incline directly to a wheelchair accessible shower area. All doors have been retrofitted for wheelchair accessibility. A deck is located off the back of the home with stairs that allow access to a spacious backyard enclosed by a fence for the service recipients to enjoy when the weather allows.

Summit has been home to service recipients, both male and females, with varying levels of abilities and age ranges, including service recipients in wheelchairs. Summit is within reasonable distance from several day programs. Summit also provides 24/7 supervision for it's recipients.

Staff are trained to provide full assistance with personal cares, cooking, cleaning, and all aspects of daily living.

This home is located next to the Burnsville YMCA and just a few miles of many restaurants, stores, and parks.

Harmony - Apple Valley - One openings for a male resident

Harmony is home to adult men with intellectual disabilities and mental health issues. The men currently at Harmony range in age from 25 to 45. Harmony service recipients enjoy going out into the community on shopping outings, restaurant visits, movie theaters, or visiting with family and friends. All two residents attend a day program, though they may not attend on a recognized basis. The goal for the men living at Harmony is to become an integrated part of their community, which includes competitive employment, day programs, day treatment, volunteering and an active social life which often includes friends and family.

The home is located in a very quiet residential area of Apple Valley. In addition, Harmony is also equipped with a house van that staff use when they go on outings with Service Recipients and for medical appointments. The home is located within one mile of Cedar street off Highway 77. This street has many opportunities for various restaurants and retail stores for shopping. Harmony is a rambler-style home with three bedrooms on the main level and two bedrooms in the basement. Current service recipients exhibit mild to moderate maladaptive behaviors on a regular basis. Staffing is co-ed and provides 24/7 supervision.
