Who We Are

We are dedicated to helping individuals continue to experience the richness of life in the comfort of their own homes. Our mission is to improve people's lives and that is what we do every day. In order to do so, we provide high quality and cost conscious in home care services to a wide variety of individuals in Minnesota. We believe in collaborating with doctors and families to tailor fit our care plans, meet each individual patient's needs and provide education to patients and care.

All around Minnesota, Mercy Link LLC is well known to be a quality provider of support services. Our team is composed of Skilled Nurses, Care Coordinators and Home Health Aides. We offer home-based care as well as options for housing with services and customized living services.

You can reach our friendly staff at **952-222-5477** for further questions about our services

Our Mission Statement

To improve the quality of people's lives, help them maintain their independence and protect their dignity by providing each client with the highest quality personal home care while projecting a positive caring and fulfilling working environment for our staff. Mercy Link employees are not just qualified healthcare professionals. They are compassionate individuals dedicated to their clients. We take great care in selecting our staff and only hire individuals whom we would trust to care for our own families.

Services We Offer

- Home Care Nursing
- Home Health Aide
- Customized Living
- Respite Care
- Independent Living Skills

Mercy Link works with clients and their families to customize plans that meet the unique needs and desires of each individual. Mercy Link can help whether you need assistance for several hours or a few times per week, or whether you require live-in or around-the-clock assistance.

We don't believe in one-size fits all solutions.
